EXPERIENCED AMONG PROFESSIONALS

Company History

CETEK have been in operation since 2014 in Kenya, 2016 in Uganda and 2017 in Rwanda and DRC covering all aspects of work in the area of Mechanical and electrical installations including Plumbing services, Coded qualified welding, Mechanical maintenance and installation (continues.....)

Stainless steel, aluminum fabrication and insulation, Plant Maintenance: Installation and shutdown, Fabrication: Mild steel, alloy and Sheetmetal work, Fabrication: heavy plate, vessels, tanks, pipe--work, Structural fabrication and installation, Compressor and air systems overhaul, installation and maintenance, Air conditioning, Ventilation and BMS systems.

During this time CETEK have become specialists in planned preventative maintenance as well as Installations.

Our success is based on the continuous commitment that CETEK give to all our clients by continuously updating and developing our services, and importantly, in this time of rising costs – competitive pricing structure. (continues....)

COMPANY PROFILE

Our consistency of work quality, experienced mechanical & electrical engineers, fast reliable 24 hour call out service, and preventative maintenance have also contributed towards the success to date of CETEK

CETEK is committed to Health & Safety and all engineers are completely trained in this area. We also use an external company to monitor and audit our Health and safety practices

- * Compressor and air systems overhaul, installation and maintenance.
- * Stainless steel, aluminum fabrication and insulation.
- * Coded qualified welding.
- * Mechanical maintenance and installation.
- * Commercial & Domestic roller door installation and maintenance

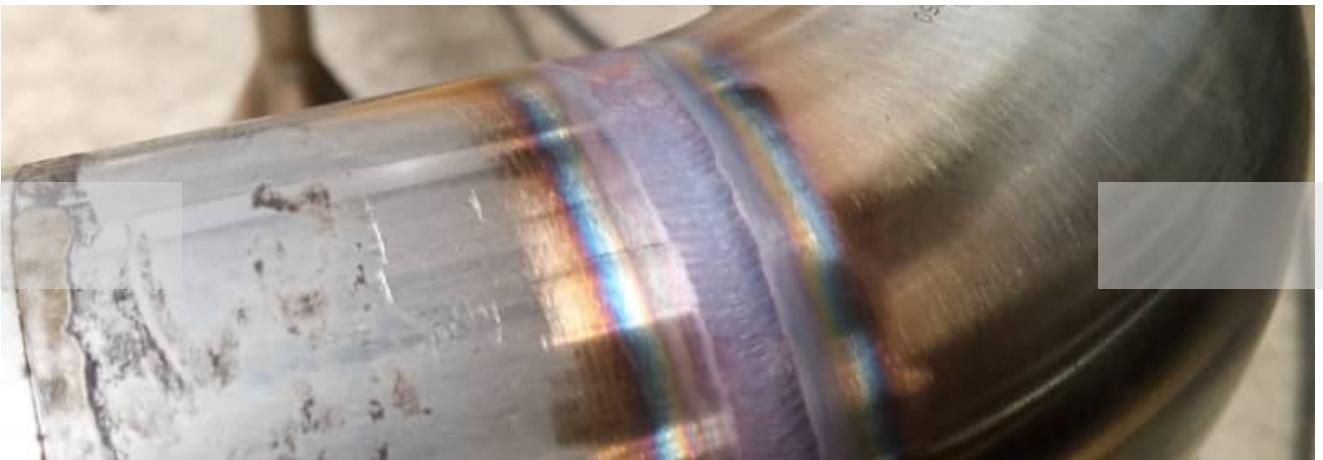

CETEK'S GENERAL ORGANISTIONAL STRUCTURE

HEALTH AND SAFETY

CETEK values very highly the Health and Safety of its staff. It hence our company policy to employ Health and Safety personnel on site who is charged with the responsibility of implementing "The CETEK Health and Safety Policy" to the letter which among other things dictates that every site worker be availed with a health and safety kit which may include; a pair of Ovals, Helmet, a pair of Safety Boots, Goggles, Ear plugs, a pair of hand gloves, a reflector jacket, among others.

The Health and Safety personnel also ensures that CETEK workers comply with; our clients' different Health and Safety policies on site, National and International Health and Safety guidelines regarding industrial and other like sites. Our employees also participate in regular health and safety inspections and drills to help identify potentially hazardous conditions at work. Findings and recommendations are then presented to the Health and Safety Officer on site for appropriate corrective action. Corrective action is implemented by the Health and Safety Office under the direction of the Technical Director.

OUR CLIENTS

Below are some of our Esteemed Clients with whom we have worked before;

Breweries

We have been privileged to work with breweries across Africa such as; Nile Breweries Uganda, Bralirwa Breweries Gisenyi Rwanda, Bralima Breweries Kinshasa DRC, Bracongo breweries Kinshasa DRC, Brasco Breweries Brazzaville Republic of Congo, Kenya Breweries Limited among others.

Soft Beverages

We have worked with; Hema Mineral Water Uganda, Chriwa water treatment plants Germany (in Rwanda & Zambia Projects), Euwa water treatment plants Germany (in Kenya Project) among others. (Continues....)

COMPANY PROFILE

Pharmaceutical Companies

In the Pharmaceutical industries sector, we worked with; Cipla Uganda [Quality Chemicals].

Sugar Processing Factories

We have had work in a number of Sugar factories in Uganda including; Kakira Sugar Works, and GM Sugar Works.

Agricultural Sector

In the Agricultural sector, we have worked with; Uganda Tea Corporation Kasaku.

Public Parastatals

We have worked with National Water and Sewage Corporation [NWSC] Uganda, UMEME Uganda,

OUR CLIENTS

Below are some of our Esteemed Clients with whom we have worked before;

Breweries

We have been privileged to work with breweries across Africa such as; Nile Breweries Uganda, Bralirwa Breweries Gisenyi Rwanda, Bralima Breweries Kinshasa DRC, Bracongo breweries Kinshasa DRC, Brasco Breweries Brazzaville Republic of Congo, Kenya Breweries Limited among others.

Soft Beverages

We have worked with; Hema Mineral Water Uganda, Chriwa water treatment plants Germany (in Rwanda & Zambia Projects), Euwa water treatment plants Germany (in Kenya Project) among others.

Contractors and Partner Organizations

There are quite a number of Construction contractors with whom we have partnered and these include; GroupKA Sarl Kinshasa DRC, Oris and Sons construction Company Kenya Ltd, Pako services Brazzaville, Active Technical Services Uganda, among others.

Other Companies

Other companies with whom we have worked include; Engen Sarl DRC, Okampo Group of Hotels Kinshasa, Oil Libya Petrol Station, Hared Petrol Station, Juice manufacturing plants, Meat Manufacturing Plants, Rwanda, Burundi and Uganda.
